

If you are:

- A sophomore planning to apply to become a Class of 2021 Clare Boothe Luce Scholar,
- Intending on majoring in **mathematics or statistics**,
- A US citizen, and
- Looking for potential research projects for summer 2019 through the math/stat department,

Then please do the following:

1. If you are interested in doing **Mathematics research**:
fill out a SMALL application found at
<http://math.williams.edu/small/application-information/>

If you are interested in doing **Statistics research**:

Talk to faculty in Statistics to learn about their research and to determine whether they are taking students for summer 2019.

2. Fill out the general CBL application form (see CBL webpage), and submit to Dawn Schoorlemmer (ds10@williams.edu) by or before the **Feb. 8 deadline**.
3. Talk to Susan Loepp (sloepp@williams.edu) if you have questions.

Remember, you may apply to be a CBL scholar through more than one of the target departments, so please read the materials for each major/discipline through which you are planning to apply.

Good luck,

Prof. Susan Loepp, Math/Stat department
